Transportation

Student transportation will NOT be provided to and from school.

Eleventh & twelfth grade students who hold a valid Florida Driver's License, proof of registration and insurance coverage will be permitted to drive to school. These students must purchase a BDCHS parking decal for \$5.00.

BDCHS students may utilize a parent carpool. Once students are enrolled, a scatter plot of addresses will be developed to determine the proximity of students to one another and the school. Cluster patterns will be defined and communicated to the President of the Parent Advisory Council (PAC) as a means of assisting in the organization of an effective parent carpool system.

Students may use public transportation via Hillsborough Area Regional Transit Authority (HART Line) bus passes. This system will allow students to have unlimited access to school from any region of the county. Student passes may be purchased directly from HART Line.

Students may access the school at 6:45 am and should NOT arrive before this time. All students must be picked up by 3:30 pm unless they are enrolled in an after-school or sports program.
